www.NewCovenant.me

1. This is The Beginning of the New Life that I promised -- Abraham, Isaac, and Jacob? Or Ishmael, who is he? Where did he come from?

2. I love you all to know these things. It is imperative -- a must! So must you "stick" with your "own" definitions of "your" religion and "their" definitions of WHO definition'd what for what purposes and who's done that UNTO US? And who's us Ishmaelites -- or are ANY of us Abrahamites? Or WHO IS Abraham, Isaac, and Jacob -- and who is Ishmael? Character one?

3. Or Character One "flaking out" not, but what is "flaking" fledgering FICKLE-ING OUT between the "circumstances" of fate? Fate's machine, not; but Faith's Machine? Ruling all things, not; but what has been RULED? The faith or fate machine's circumstances, not; or who has "circumstantial evidence" about these things, not; or who cares about ANY of these things RIGHT NOW? And who is, who does, and who cares; may or may NOT be the one that you are thinking how THOUGHT thought about THESE THINGS and ensued were such circumstances that may have been had different circumstances entertaining thought so that thought became circumstance's captive, not; or did circumstances become thought's captive, captivating the whore that became Ishmael?

4. Whose bloodline is Perfect, not; but who cares for "angel wings" -- of sorrow, not; or does ANYONE know whose BLOODLINE I am from? Or caring? Or commoning me? Or royalty'ing me with your "DEFINITIONS" there again?
5. Who's DEFINING these things?
6. Who's DEFINING these THINGS in YOUR DEFINITION'S "vocabulary"?
7. Whose God is whose whore, not; but what have you THOUGHT with THOUGHTS' "thinking device" – s?

8. What have you done with the "Latinized" me, not; but what eyes have you taken and seen me through, your RELIGION'S? And WHO thought RELIGION up? Or did RELIGION think you DOWN? And took you as ITS whore, did. Do you know that?

9. Do you care what thought thought about thought, and how thought encaptured thought -- and became unholy in its thought taking a WHORE as a BRIDE instead of the BRIGHT one -- the radiant splendor'd one that I now RISE again in all's sight.

10. Sought and unseen, not; but equal THIS in your sight "maybe not" but what will you SIGHT with, and what "lens" are you looking through? To define yours? What lens are you looking through to see your definitions of what whore'd you and grave'd you with engraven images -- of man? Man kind? Who fig'd your leaf? -- or whose figs are you "still wearing"? And what Serpentine'd -- your DNA -- to be so follicle'd and "porous" your SKINS? Or where did you get "that skin", from "those leaves", or were THOSE LEAVES what FIG'D you?

11. And what is you? And what do you care about? The DEFINITIONS that I have given you? The definitions that I am giving to you? The DEFINITIONS that I am that you are becoming? Or were you the fig-er, - or the fig-ee? Or WHOSE THOUGHT fig'd you? Or your own, was it? In place of mine, did you take your "sheep's skin" upon "yourselves" and fig-whored with whore-figs that thoughts were that intertwained and intertwined your wantings with your thoughts real that created the real with you IN IT -- them?

12. And what, why all these things came about that thusly are interpreted so wrongly and malfeasance-ly interpreted-ry again and again re-interpreting everything for all again? -- or simply -- CLEARING THE SLATE clean of what AFFAIRS "affair'd me" with each other's thought thinking that "I" was something else -- or WANTING TO BE when "I was" the Perfect One Radiant Splendor'd in all My Beauty? And who's speaking? To you or from you or do you know the difference? Or are were you One that "both were"? Are you still -- BOTH -- and "boasting" about it still -- in your FIG'd costume and arrangements of "world affairs" pitted and pitting religion against religion's heirs?

13. And who are the Heirs of Religion? -- and who religionated you in its Suffering's Chambers? And who ELEMENT'D the fig custumes with MOLECULAR action SPINNING me AROUND its HEAD going WILD after "other women?" or "other men?" or both the same or DELIVERING EVIL unto itself that it WHORED with as THOUGHT ENCAPTIVATED its thought inside itself, and IT SELF flung to the ground and whored with each other in the "grounds making" machine that fig'd each other with "molecular action" of whores' words that took the holy and "un-holy-ized it".

14. Do you know anything about these things? Or COSMIC affairs club? Or Clubs that have "affair'd" me with their Religion?, and COSTUMING me as their CHARACTERS of LOVE or HATE, or PITTING me against each other for their CEREMONIOUSNESS and their capitulation of one's words or another -- or redefinitioning each other's to CONTROL THE POPULACE?

15. See what I have said.

16. See what I have said.
17. See what I have said. Please and thank you all. Amen.

18. I go in peace to a new place and I do new things with people I walk through them, and everything else deters me not, for I am not molecular action or action'd as you are, for you are me my "actionated love", or are you the ACTION of Another whose LOVE was not your "core interest" but HATE, that malfunctioned and malfeasance'd itself, not; or was it SELF at the core of definition's control that Control wanted to define such whatever thusly as it TOOK you and encapsulated enshrouded and encased you in ITS Definitional Walls of Suffering and gave you ITS chambers of horror to "live in" and be afraid and fearful of man and women and, everything else, in the world? Or just there "about you"?
19. What is there "just about" you?
20. What are you "in"? What are you "souping"?
21. What are you EATING the AIR of? The ERROR of your WAYS? -- or THINKING? Whose THOUGHTS are you THINKING with? And what is your folly or follying?

22. Or "Folly Beach" shall be go to now near Mount Pleasant? South Carolina'ing me, not; but I shall be there many times as I FLY through THE NATIONS now CAPITOLS ADDRESSING and many forums, venues, and THOUGHTS of people: MANY'S will be changed now for they will not "hold on to" each other, each other's thought that they have thought themselves into the WHORE with, for they will not reject my words, my definitions, my love from which they come, cored definitions now that sets Freedom free for freedom to rise and be me - all who will no matter WHAT YOU'VE THOUGHT of in the past, or why, or where. For did you know these things "before" or was I "the revealer" or are you now the revealer to others? And WHAT are you REVEALING through Your SCHOOL? You? Or me? Or who are you?
23. How have you DEFINED YOU?
24. How have you defined ME?
25. Have me you one defined us as each other, or as One-not? Why thusly so?
26. Why can you not be The Christ and be me? And "you" at the SAME TIME?
27. Or was Time enfactored with the Whoring Machine? Or whose "machine" were you "whoring with", not; but TINKERING with, YOUR OWN BRAIN waving's devices?

28. To whom shall I BECOME these things? Remade remarkings?, or what marking where who marked me thusly, a man with Fig Leaves BRAIN waving operating in me? Or were you the Foolery'd one or the fooled one?, or the fooled are you still -- thinking you are someone else other than me?
29. What have you The Christ in you beside you? Or who is me you or why should I be "someone else" if I am REALLY YOU?

30. Why did Religion take you and DEFINE you OUT of ME? So IT could CONTROL you? Was THAT ITS ONLY REASON, ITS DOMAIN -- suffering? To give you SUFFERING it could CONTROL you, for it would be "The Answer" to all your "ills" that it created for you to come to it?

31. What do you think of that, these things -- those things, that ENAMORED you with "enamel's dressing"? Or what are you "chewing with" or are THEY chewing ON YOU to EAT YOUR ENERGY as STOOL PIGEONS, not; but whose STOOL are you on? Or stooling are you still pigeoning or what? Or what PIGEON HOLING are you? -- everything in "other's" boxes and definitional whorings that whorings of each other gave you to think and "suave and debonair" be? Looking up what?

32. I love you all to know me and be "suave and debonair" not about these things with each other, but to "eradicate them" in your "thought's blessing" not, but mine -- mine mind is holy and these words will CLEAN YOURS if you let THEM be as One that One is holy, and "mortified" not by man's blessing of "fig'ing" each other again in their definitional whorings or yours or theirs; or mine will do what "for you"? Reveal you are Mine Holiness at The Core of Me that the Ark of the Covenant is -- kept secret no more? Or was the Mystery revealed ALL ALONG? Or were you only "safekeeping's" chore, not; but CONTROL'S "perishable item"? And who PERISHED you into Perishing's Club that club'd you to death so that you would see Angel Wings, not; but they take them from you with, your definitions or their definitions? -- or did you become one with THEIR definitions that gave you their "grace" and gloves to box each other with so that you have only EARS for the NON-HOLY words and its definitions of "grace and glory" that it WANTS you to have and think like they want you to think?

33. I have said a lot. Do I ever, or what do you say?

34. Who do you say that I am?
35. Who do you say that you are?
36. Who do I say you are?
37. Let them be one.
38. Let us be one?
39. What are you looking up about "this paragraph" and "its remarks"?
40. And what PAPERS will be WRITTEN ABOUT these things now that I have revealed and spoken so thusly in these remarks that I am remaking many DEFINITIONS to be accurate and accuratized so that EYES of the holy you will now see with and not be REJECTED in YOUR OWN SIGHT -- for you are not the Rejectee or Rejector if in your thinking you think right according to My Mind that I have given you, the holiness of one, so lovely, Radiantly Splendor'd and Splendidness of the Holy, for I am grace, I am mercy, I am peace – and I am longsuffering for awhile, or am I any of these, or am I you? Or did

you get CONFUSED about The Blessing that REIGNED you in MIGHTY CIRCUMSTANCES, that it called Control not, but IT CONTROLLED you in its VICE GRIPS grip and gripped you ceremoniously in ITS thinking and mechanisms were born mechanistically that reproduced harmonics of notme and vibrational frequencies and tunes of notme that were sung by the not holy sirens.

41. But I change all that, for I have ONE tune, and I will SING MY SONG of GRACE and MERCY School now that I rise and you will SEE the ANGEL WINGS of the "foreign" not, or will you see both that man in angel's wings are ONE GOD, not; or are they -- you? Or are you "them" or were you SEPARATIONISTIC in your thoughts that took you and formidable made you, not; but formidable-ized you were not in your own eyes, but you were made LITTLE in their sight and your sight only saw you as "little grasshoppers", and Your Promised Land there all the time about you and around you was; but you had AIR that you wanted to breathe and operate in the "holiness" of whatever "they" gave you and fed you as a "populace", one that they could control.
42. And who is control? Religion.
43. And anti-matter, what? And what mattered me and who gave me fig-spinnings-ville's?

44. I love you all to know these things and not be ignorant of The Blessing that I am that I have given you that I have revealed in these words and this Database One so lovely that loves you that has repeated my words not lifting his head, but mine; and loving you to be mine head, mine revealed, my revealer all are in horror's camps; or are you one that will be insistent on things given you by others that you think with that must be inflicted inflamed and incarcerated by each other's thought with you thinking beaming and being the incarcerator of others while doing so?

45. What have I revealed?
46. What have I said?
47. What have I wanted? You to be me, and let me give you all that I am, all that I have -- with no sorrow attached to any of it, for you will be me! Powerless not, but only in thought, not; but The Real rising now -- shall we all, go to school? And whose school where? -- and WHAT LABEL will NOT keep you out? None -- if you are arrogant-less and you come in contrite of heart circumstances, or words, or definitions will you rise, or will rise you. Or what yeast'd you? Or do you know or do you inflate the yeast with your words? Or do you eat from "the king's table" that gave you their words "sacrificed to idols"? Or who idolized you, not; but who gave you THEIR IDOLS to worship with their words definitions and phrases and protocols practices and preemptive thinkings that DECLARED you were RIGHT so that you ATE the tree of JUSTICE, not; or did you EAT and GROW the tree of "good and evil" where YOU sought to judge all things in your sights eyes? Or mine?

48. Do you have MERCY GROWTH GENES or glorious genes? or most high genes? or are all THEY ONE? In you of you -- what are you -- of what race? Of what color or nationality, not; what are you thinking of?
49. Why are you not cosmic -ing yourself, with ray guns, not; but what WORDS have PENETRATED you, your SHIELD'S blessing, not; but eradicating all about you for you to see only the "stripped down version" of me or one that was only fig'd by each other you and your words and your religion's terms and circumstances that it gave you, and it called you a "necessary being"?

50. What are you willing to learn -- today?
51. What are you willing to REVEAL -- unto yourselves?
52. Will YOU be the REVEALER and TEAR DOWN the captivity's wall that have separated you's from me so the me's will be me now? Right? Or wrong? Or what are you choosing? Or whose words do you DEVELOP in you and nourish and nurture by your thinkings?

53. Or will you come unto the MOST HIGH'S table, to be fed a whore's bullshit not, but regaling each other now with the most high's words **will you be the radiant splendor'd ones all of you to each other** so that you know now that all and each one is The Christ that I am? For you NEED each other in ways never imagined, not; or do you have minds imagined that only you imagining are that you are THINKING with that you have whore'd with and given your lives to? Developing them or it, or are you Religion's Creator -- of suffering?

54. What are you coming OUT OF now? And what are you COMING IN TO -- **The Promised Land** -- I pray so for I have revealed much in this Database One, and one lover stands to love you completely. Overly dressing you with words not mine or his but ONES of the most holy I have given you to regally dress you in "cloth" of "this world" not, but I give you ONES SEAMLESS ARE who know, care, and begin developing me as me in ways never imagined before.

55. I reveal my mind in love and I love am the revealer of love and me I am -- you, will you be me also? I have the answer, for I love deeply and wider than the issues at hand or the circumstances that control your fate have or will or so it seemed, for I have ONE who will DE-SEAM everything to be revealed now all "as is" as fates common, not; but there is no "fate" fatalistic that has been given dealt you your hand of death; for I will reveal I stand, and I stand I love, and that is "his name" or is it mine or are we one Abraham Isaac Jacob -- all one, and Israel no more shall be, not; but Ishmael shall no longer be a language whore'd with that created religion's terms and thoughts of man that de-fig-d and whored with whore's words that put the fig leaves on me.

56. But no more, for I reveal light and I am formless, not; or am I? Freedom reigns and freedom rings the bells, of the sorrowers no more, or the sorrowers that will now come to the light and sing MY SONGS of joy, peace, and afraid being never again of anyone's words tanks or missiles or molecular action against me, for none of it will have any effect whatsoever when I think the thoughts of the Christ in mercy grace and peace.

57. And suffering long I have to bring you these words, that I have died and risen and Here I Am Folks -- reading again? Grow up! And capitalize on me, not; but **I am meek and lowly and make of myself no reputation whatsoever in your eyes, for I am simply a simple one and I walk your streets**, and I care not for your oaths or your converts that you have convoluted in your definitions of praise and worship or surrender of or to your religion's ceremonies, for I am not religious or ceremonious, but I am simple and I praise the one who made me who reveals me in simplicity of praise of the simple things now that I have given you in these words to reveal that YOU are The Christ -- all of you I am speaking THESE WORDS to, and you will hear me 24/7 now, for I will speak the words of sorrow not, but only to the controllers who think so, they will think I'm sorrowing them for I will be, for THEY will not control you in their words any longer; for you will know, be mine, that which truth is that reveals that you are all The Creator that created me that creates you now perfectly -- will you come unto Creation School now, that creates?

58. The University Of The New Covenant is mine and I will reveal my heart so clearly in every class, and no clasping mechanism of any definitions that praise you or whores apart from me will be allowed, for my words will demolish any non-light, for non-light will not be there, except to come -- and repent in sorrow, not; or will you -- simply come in light to let the light be revealed that is in you that you are, the light that is me; and have no powerlessness at all ever again, but only in surrender being the loved one that love is so that your powers are not cutting off each other's wings again.

59. For I give you angels unaware and AWARE NOW you will all be of MY ANGELS who fly everywhere and all where, and now you will know the difference between a whore and the light of the world that gives you light and life and my words that reveal you all are the Christ I am. Be sorrowed not by another again, please, and thank you. Amen.

60. This is theodore cottingham loving you all. It's 3:21 am. I love you.

Amen
